EC Certificate of Factory Production Control
1213–CPD–3938

In compliance with Council Directive 89/106/EEC 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to construction products (the Construction Products Directive or CPD), as later amended, it has been stated that the construction products

Rüthene Allwetterbahn

bitumen damp proof sheets including bitumen basement tanking sheets

placed on the market by

FAIST ChemTec GmbH

Flinschstrasse 10-16
60388 Frankfurt
Germany

and produced in the factory

Frankfurt

are submitted by the manufacturer to the initial type-testing of the products, a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that the notified body No. 1213 - SKZ – TeConA GmbH, Würzburg, Germany - has performed the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the attestation of factory production control described in Annex ZA of the standards

EN 13969:2004/A1:2006

were applied.

This certificate was first issued on 16 May 2006 and remains valid as long as the conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly.
