

# HYGIENE CONCEPT SKZ CONFERENCES

according to the currently valid Infection protection act for Bavaria

## Admission to the event according to the currently valid regulation

**Vaccinated** Fully vaccinated persons are exempt from compulsory testing.  
(The second or final vaccination was at least 2 weeks ago).

**Recover** Convalescents are exempt from the obligation to test.  
(The illness did not occur more than 3 months ago).

**Tested** Negative **rapid antigen test result** (not older than 24 hours) or  
Negative **PCR test result** (not older than 48 hours)

The corresponding proof (e.g. vaccination card/vaccination certificate, confirmation of the doctor/health office) must be provided by the participant.

## Exclusion of risk participants and risk groups

- Sick persons, in particular those with symptoms of a respiratory disease or with unspecific general symptoms, may not participate in courses and practice events. The same applies to persons who have had contact with persons with COVID-19 within the last 14 days (contact persons of cat. of cat. I and II) or have been in a risk area outside Germany in the last 14 days and have not tested negative.
- Members of groups with an increased risk of a severe course of the disease are recommended to take the necessary measures for their own protection and to weigh up their participation. Known risk groups can be viewed at: [https://www.rki.de/DE/Content/InfAZ/N/Neuartiges\\_Coronavirus/Risikogruppen.html](https://www.rki.de/DE/Content/InfAZ/N/Neuartiges_Coronavirus/Risikogruppen.html)

## We guarantee

- Regular ventilation of rooms and corridors
- Disinfection dispensers at all entrances
- Regular disinfection of contact surfaces
- Registration of all participants by name incl. address

## Thank you for your support and compliance!
