

HYGIENE CONCEPT FOR SKZ CONFERENCES

(according to the current infection defence law of Bavaria)

Face masks are compulsory; only when seated masks can be taken off!

We guarantee for:

- Minimum distance between people of 1,5 m in closed rooms is ensured
- Seating will be organized accordingly
- Periodically ventilation is ensured
- Spenders for disinfectants are available at every entrance
- Regular cleaning of the floors by trained people is ensured
- Name and address of all attendees will be registered
- Face masks are available if needed

We kindly ask you:

- That you are in good health when you are coming to the SKZ
- Please don't attend events at SKZ in the following cases
 - You have any symptoms of sickness
 - You had contact with people infected by Covid-19 up to two weeks prior to the event

Participants which belong to a so-called "risk group" are requested to take special precautions to secure their health (distance, reduced number of contacts, small groups, no group change, face masks a.s.o.)

Inside all the SKZ locations:

- The "standard registration" will not be performed; no typical front desk.
All documents for the course or the seminar will be provided at your seat
- Registration in attendees list and other forms by using own pen (will be provided)
- Reduced number of toilettes is available; therefore going to the toilette is also possible during the lectures or presentations
- Coffee breaks will be organized at your seat ... or outside ... and snacks will be served (no buffet)
- Enough room will be provided for taking the lunch by big-distance seating The starter will be served.
Main course in buffet form, served by service personal

We thank you very much for your support and following the rules of our hygiene concept!
