and produced in the manufacturing plant(s)

Vittorio Veneto.

This certificate attests that all provisions concerning the assessment and verification of constancy of performance (AVCP) described in Annex ZA of the standard(s)

EN 13252:2016

under system 2+ are applied and that

**the factory production control is assessed to be
in conformity with the applicable requirements.**

This certificate was first issued on 2006-06-21 and will remain valid as long as neither the harmonised standard(s), the construction product(s), the AVCP methods nor the manufacturing conditions in the plant are modified significantly, unless suspended or withdrawn by the notified factory production control certification body.
