geospacer core (raw material: PEHD, black) and geotextile filter layer (raw material: PP, grey)  
and a foil (raw material: LDPE)  
used for the functions: S + F + D

placed on the market under the name or trade mark of

### **Optigrün international AG**

Am Birkenstock 15 - 19  
72505 Krauchenwies-Göggingen  
Germany

and produced in the manufacturing plant(s)

**Code 70163**

This certificate attests that all provisions concerning the assessment and verification of constancy of performance (AVCP) described in Annex ZA of the standard(s)

**EN 13252:2016**

under system 2+ are applied and that

**the factory production control is assessed to be  
in conformity with the applicable requirements.**

This certificate was first issued on 2013-06-19 and will remain valid as long as neither the harmonised standard(s), the construction product(s), the AVCP methods nor the manufacturing conditions in the plant are modified significantly, unless suspended or withdrawn by the notified factory production control certification body.
